Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

🕒 20 minutes

TIP

Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mind.

Group Ideas:

- Medicine name, dose should be displayed.
- Set Medication reminder and keep up to date.
- Implementing alarm and reminder in medical watches.
- Pill boxes with alarm system and voice assistant should be created.
- It should be operated in offline mode too.
- Creation of application and application should alert to refill medicine in pill box

Step-3: Idea Prioritization

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
